Information on acquiring affordable LAPTOP computer systems.

TADWA supplies

We have an agreement with Microsoft to install the Windows XP or Windows 2000 operating system and Microsoft Office 2003 or Open Office (saves in *Microsoft Office format*), which will enable word-processing, spreadsheets, database and basic graphics. We are not licensed to install any other software.

Delivery and Installation of Laptop Computers

It is preferable for customers to pick up their laptop computer from the TADWA premises. However, we do realize that this is not always possible and TADWA can arrange for delivery and installation; although please be aware fees will apply which will be confirmed in a letter of offer. Please note that if laptops are in short supply a waiting list will apply.

How much is the Support Service Agreement?

A new Support Service Agreement is for a period of 1 year. Quarterly service payments will be \$85.00, making a total of \$340.00 (if eligible for discount). You are entitled to a discount of \$34.00 if you pay the full payment up front. There may be some additional costs if you require any new items and this will be explained to you once we have received your application. **YOU OWN THE LAPTOP ONCE ALL PAYMENTS ARE MADE.**

Full Support Service Agreement – what does it cover?

TADWA will endeavor to rectify any problems with systems supplied by us. We replace or repair faulty components in our workshop at no cost to customers who are covered by a Support Service Agreement provided payments are kept up to date. Customers may need to phone our Customer Service Help Desk for advice or help via Remote Assistance – this is also covered in the Service Agreement. **FREE BASIC COMPUTER TRAINING IS AVAILABLE IF REQUIRED. FREE HELP DESK SUPPORT OR REMOTE ASSISTANCE MONDAY-FRIDAY 9 – 4PM!**

Payment Methods

If the Public Trustee is acting as administrator for the affairs of the customer, it is important and necessary for the customer to inform TADWA. For the customer's convenience, fortnightly payments can be made directly from their pension through **CENTREPAY** which is a service of Centrelink. **Forms can be obtained from the TADWA office.**

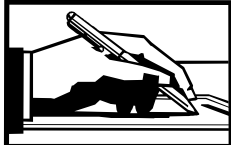

If you wish to buy your own hardware and/or software; we will install it for you. However hardware and software must be new and must be accompanied by appropriate receipts.
